

# ***CHAM ISLANDS SNORKELING DAY TOUR*** ***(wooden boat)***

**Discover a world Biosphere Reserve recognized by  
UNESCO.**

## **Why Is Cham Island? (Vietnamese: Cù lao Chàm)**

Cham Islands constitute a group of 8 small islands of Quang Nam, which form a part of the Cu Lao Cham Marine Park, A world Biosphere Reserve recognized by UNESCO. Cham islands have simple beauty with blue sea, white sand, sunshine, and stunning coral reefs. Cham island snorkeling tour is a great tour to relax with the sea.

## **Why Chose Us for Cham Island tour?**

Our tour begins at Cua Dai wharf by Vietnamese traditional boat. The Boat has 48 seats, It takes about 1 hour. On the deck, you have time for relaxing, and sightseeing. At the location, the Guests can swim, and snorkel. The towels are prepared for all the guests.

You will move to Bai Chong beach to relax and have lunch. After lunch, guests can swim or just relax in the hammocks. The tour finish around 3 pm. Not many tours to Cham island by Wooden boat as us.

### Snorkeling Gear

Not travel around the island village. We focus on Relaxing and swimming time for this trip.

On the boat
